DECLARATION OF CONFORMITY

**We, the company Miroslav Chuděj, s.r.o.,
Hutisko – Solanec č.p. 310, 756 62 Hutisko – Solanec
identification number: 25390236**

declare hereby on our own responsibility that the products:

plastic clamp for copper pipes, type D 10 through D 35 Cu, designed to fasten copper pipes with outside diameter between 10 and 35 mm, allowing for sliding movements due to thermal dilatation, and plastic clamp for pipes, type D 8.5 to D 110 mm, designed to fasten plastic pipes, allowing for sliding movements due to thermal dilatation; both types were designed for installation into walls, concrete, and face materials, and are made of a normally non-toxic material, with the thermal decomposition point above 300º C, ignition point at 370º C, with guaranteed load capacity, as listed for respective clamp types in the accompanying technical documentation,

**which the present declaration relates to conform to
these technical regulations and standards:**

government decree 163/2002 Sb. in current wording, ČSN 64 0008:1968, ČSN 64 0011:1991, ČSN 64 0149:1977, ČSN 64 0755:1982 and ČSN 64 0758:1979

The products are safe on condition of their common proper usage; measures have been taken to ensure conformity of all products marketed to their respective technical documents and the essential requirements of government decree 163/2002 Sb. and the technical specifications listed above. We have implemented a quality assurance system in compliance with ČSN EN ISO 9001:2001.

To assess the compliance, government decree 163/2002 Sb. was followed.

To assess the compliance, we involved inspection body number 4002, TÜV SÜD s.r.o., Modřanská 98, 147 00 Praha 4, identification number 63987121, who issued Inspection Report file 0176/70/99/ BT/IZ/S dated 17 May 1999.

The manufacturer has implemented a quality assurance system compliant with ČSN EN ISO 9001:2009 dated 11 February 2010 to ensure that all marketed products comply with their technical documentation.

In Hutisko – Solanec, on 24 February 2013

Miroslav Chuděj
Executive manager

A quality assurance system certified to comply with ČSN EN ISO 9001:2009
